Help desk guide

Page 1: Your account

Open Account from the menu at the top of every page.

There you change your name, your email and your company.

Resetting a password

To reset a password, open Account and press Reset password.
We mail you a link that works for one hour.
Open the link and type the new password twice.

Orders and refunds

An order can be refunded within 30 days.
Staff refund an order once the customer agrees.
The money is back on the card within five days.
